

# MONTCALM COUNTY FAIR 2020

## ADD-A-BID FORM

DEADLINE – 9 PM June 25<sup>th</sup>, 2020

### WHAT IS ADD-A-BID?

It is an opportunity to add a monetary amount to the end bid of any 4-H/FFA members' project. It can be for one or more members! This is a great way to reward one or more 4-H/FFA members for their dedication and hard-work, without having to purchase an animal.

How this works: (example) If you want to give \$50 (or any amount) to a specific person and that person auctions their Steer for \$2 a pound at 1100 pounds, they will get the \$2,200 plus \$50 from Add-A-Bid, for a total of \$2,250. Also, this contribution may be TAX DEDUCTIBLE!

- Any bid, including Add-A-Bids, are subject to the 1% withholding to the Montcalm County Fair Association Agricultural Committee to help offset auction expenses.
