

Award Sponsorship opportunities for the 2021 Montcalm County Fair, June 20 -26.

The county fair is always a place for children to show off what they have learned and compete with other youth. Livestock, horses small animals and even alpacas are areas the youth compete in.

The Montcalm County Fair Board annually hires many professional judges, who not only determine Champions and other placements, but also spend time instructing the youth on ways to improve their showing techniques. In addition to the judges, the fair also provides awards to the youth showing their animal projects.

The Montcalm County fair annually spends \$8,000 to \$10,000 per year hiring judges and purchasing ribbons, medals, trophies, and other awards.

In order to help pay the costs associated with the judging and awards we are looking for individuals and business to sponsor one or more classes.

We are asking for donations of \$25 per class this year.

Number of classes you wish to sponsor _____ X \$25 = _____.
