You are invited to the

2022 Livestock Auction Sale

Montcalm County Fairgrounds

8784 West Peck Rd., Greenville

Thursday, June 23, 2022 3:00 pm

(Registration begins at 2:00 pm)

Complementary Buyer's Meal will be available on-site.

Montcalm County Fair Association Agricultural Committee (MCF AAC)

Each year over 200 exhibitors make a commitment to raise a market animal. Exhibitors can choose to raise and sell up to two (2) species: beef cattle, sheep, goats, swine, turkeys, chickens or rabbits. Through this program the youth learn skills in raising, judging and marketing livestock, as well as responsibility, caring and teamwork - life skills which last a lifetime.

Why purchase an animal at the Livestock Auction?

- To support local members as well as the MCF AAC (a commission is taken to help with auction, insurance, county livestock program expenses.)
- High quality meat for your freezer.
- Meat for a business to give to employees or loyal customers.
- Free advertising as a Livestock buyer in local papers.

Transportation of Animals: The MCF AAC will arrange transportation to designated processors, as well as those animals to be resold, free of charge to buyers.

Buyers: All are welcome to register as buyers.

Buyer's Table: (Located in the Arena.) Plan to arrive early to check-in at the Buyer's Table. You will be asked to sign a statement concerning payment for animals purchased under your buyer number. You will receive a buyer number and copy of the Livestock Auction Sale Lot.

Bidding: When the animal is in the ring and at a price you desire, signal the ring man or auctioneer by holding up your number. You will be asked to approve and accept a copy of your invoice at the Buyer's Table.

Poultry and Rabbits will be sold by the piece, not the pound. All other animals are sold by the pound at the weight listed.

What do I do with the animal(s)? You have the following options for the animals you purchase:

- Process for your personal use or businesses may choose to process and give to employees or customers as an incentive.
- Donate to the MCF AAC for resale for the Brian Plank Memorial Building Project. In 2021, over \$4000 was raised for building improvement projects.
- Donate to Feeding America or Helping Hands Food Pantry (cost of processing paid for by the charity)
- Resold at a livestock auction/stockyard

Checking out: **Before you leave you *must* check out at the Buyer's Table.** You will be asked to confirm your sale, make payment and indicate if would like the animal processed, donated, sent to resale or self pick-up. The MCF AAC will be clerking our auction and will be accepting cash, checks, credit card or Venmo at the sale. There is a 3% fee for use of credit card. Pre-approved buyers may be invoiced with approval. Accounts not paid within 30 days will incur a late fee.

Animal Processing: Decide which processor you would like to have your animal sent to and make sure this appears on the paperwork **before** you leave the Auction (No changes can be made after 5 pm on Friday, June 24th). You will need to call the processor the week after fair. At this time, you will give them cutting instructions (or your meat will be cut and wrapped per the processor's discretion) and arrange for payment and picking up of your packaged meat. The buyer is responsible for the processing of rabbits. Poultry will be processed and available for pick-up at the livestock auction after buyer check-out (please bring your receipt with you to pick-up your poultry). A minimal processing fee for poultry will be added to the price of the sale bill. The processing prices will be posted at the livestock sale arena.

Processor List (B=Beef S=Sheep H=Hogs G=Goats)
